OBJECTIVE

As a driven IT student, I'm eager to apply my technical skills and gain invaluable hands-on experience in a professional software development environment. I aspire to contribute meaningfully to a collaborative project team, where I can sharpen my programming abilities, expand my knowledge of industry best practices, and develop a deeper understanding of workplace operations and the software development lifecycle. With a passion for innovation and a collaborative spirit, I'm excited to leverage my skills and grow alongside a talented team.
